GATHER AT CUBAN MISSION TO THE UNITED NATIONS

END THE US BLOCKADE AGAINST CUBA!

NORMALIZE US-CUBA RELATIONS!

STOP REGIME-CHANGE PROGRAMS AGAINST VENEZUELA!

**DEFEND LATIN AMERICAN SOVEREIGNTY AGAINST
US INTERVENTION!**

DEFEND THE CUBAN REVOLUTION!

The broad Cuba solidarity movement, opponents of the US economic blockade and travel sanctions, and all opponents of US intervention in Latin America, Central America, and the Caribbean, need to hit the streets on Saturday, January 26 in a counter protest against anti-Cuba, pro-blockade forces that may target the Cuban Mission to the United Nations. *We condemn the stepped up efforts of Donald Trump's White House to overthrow Venezuela's sovereign government!*

**We ask people to gather in front of the
Cuban Mission at 38th Street and Lexington Avenue
in Manhattan at 12 Noon.**

Many of us that day will also be attending a 2:30-5:30 pm fundraiser and film showing at the People's Forum for the Venceremos Brigade and their 50th Anniversary contingent going to Cuba starting July 21.

We are working to coordinate our united efforts on

Saturday, January 26.

**DEFEND THE CUBAN MISSION! WE STAND WITH CUBA!
DEFEND THE CUBAN REVOLUTION!**
