Philadelphia: Ramona Africa Birthday Celebration of Life

Saturday, June 8 – 1:00 pm to 4:00 pm

5301 Media Street, Philadelphia

Join us as we celebrate the life of our dear sister Ramona Africa — the only adult survivor of the May 13th MOVE bombing.

This year we are not going to have a commemoration of the bombing and murder of

the MOVE family members by the City of Philadelphia, Police, and Fire Departments (but remember them personally on May 13th, the 34th anniversary). Instead, we are going to celebrate life, in particular, the life of Ramona Africa! Ramona Africa was deathly ill from after-effects of the bombing and PTSD, but she is alive and her fighting spirit and loving heart completely intact!
