Hall of Justice

211 W TEMPLE ST, Los Angeles, California 90012

WED OCT. 2nd Join AIMSoCal, BLM, Families & Allies

to honor the lives taken and support families impacted by police violence.

We stand to demand justice for the lives taken: to hold murdering cops accountable for the 550 Lives they have taken and the crooked DA Jackie Lacey who fails to prosecute any cop, along with police chief Michael Moore who fails to fire cops who murder (even when they are found “out of policy”)

They are complicit with police state sanctioned violence and are continually targeting, brutalizing, terrorizing, harassing and criminalizing black, brown and indigenous people and communities.

Stand with us to demand justice, accountability and prosecution of cops who murder our people. We are going on 102 weeks in front of Hall of Justice. and going on two years the end of October.

We continue to stand in solidarity with the families, Black Lives Matter and allies .

Stand with us every Wednesday at the  
Hall of InJustice 211 W. Temple St. Los Angeles, CA 90012  
4PM until 5:30/6PM
