Frank L Rizzo Statue  
Outside City Hall, Philadelphia, Pennsylvania

We call out the PPD for their 378 racist comments in their online group. (Only 15 were fired, and some are now being reinstated)

We call out the FOP, and the arbitration process that gives dirty killer cops their jobs back, while costing the taxpayers \$5 mil.

We call out PPDs' Christine Coulter for her deceit about her racist t-shirt.

We call out Mayor Kenny who lied about ending Stop and Frisk.

We call out the millions lavishly spent on the PPD budget while our schools starve.

We call out Maureen Faulkner and the FOP for spreading deceptions about the Mumia Abu-Jamal case for 37 years.

We call out the heartless corruption of the IN-Justice system on behalf of the (mainly) Black and Brown families and wrongly incarcerated people who suffer.
