Message from Chilean activist at the Anti-Imperialist Solidarity Conference in Cuba

written by Struggle - La Lucha

The struggle in Chile continues until we achieve the long-awaited constituent assembly, awaited for 30 years by our past generations, our mothers and grandmothers. Today young Chileans have produced a wonderful and multigenerational social awakening. We have nothing to lose, today we are going for everything. We got tired and united, they have taken us so much that they took away our fear!

Greetings to the North American and Caribbean peoples, a greeting of hope for their struggle that belongs to everyone!
