Unceded and sovereign Wet'suwet'en land is under attack. On December 31, 2019, BC Supreme Court Justice Marguerite Church granted an injunction against members of the Wet'suwet'en nation who have been stewarding and protecting our traditional territories from the destruction of multiple pipelines, including Coastal GasLink's (CGL) liquified natural gas (LNG) pipeline. Hereditary Chiefs of all five Wet'suwet'en clans have rejected Church's decision, which criminalizes Anuk 'nu'at'en (Wet'suwet'en law), and have issued and enforced an eviction of CGL's workers from the territory. The last CGL contractor was escorted out by Wet'suwet'en Chiefs on Saturday, January 4, 2020.

We watched communities across Canada and worldwide rise up with us in January 2019 when the RCMP violently raided our territories and criminalized us for upholding our responsibilities towards our land. Our strength to act today comes from the knowledge that our allies across Canada and around the world will again rise up with us, as they did for Oka, Gustafsen Lake, and Elsipogtog, shutting down rail lines, ports, and industrial infrastructure and pressuring elected government officials to abide by UNDRIP. The state needs to stop violently supporting those members of the 1% who are stealing our resources and condemning our children to a world rendered uninhabitable by climate change. Light your sacred fires and come to our aid as the RCMP prepares again to enact colonial violence against Wet'suwet'en people.

We ask that all actions taken in solidarity are conducted peacefully and according to the laws of the Indigenous nation(s) of that land.
