The People of the World Say: No War On Iran!

The Trump administration is dragging the United States into a war with Iran that could engulf the whole region and could quickly turn into a global conflict of unpredictable scope and the gravest consequences.

The people of the world need to rise up and stop it. For all who believe in peace, for all who are opposed to yet another catastrophic war, now is the time to take action. On Saturday, January 25 in cities across the globe, there will be protests against a new war in the Middle East. Please join us.
