[Breaking story, info incoming] February 6, 2020:

Six people have been arrested and several others, including members of the press, have been detained and removed from Wet'suwet'en territories in an aggressive pre-dawn raid by RCMP on behalf of Coastal GasLink (TC Energy). Reports and footage are coming in from the siege. Dogs were used, media was banned from filming arrests. Militarized police with night vision and automatic weapons raided the camp in the dead of night.
