If you do not receive a confirmation with link - please check your spam folder JOIN US for an exciting discussion and webinar April 22 is Earth Day and it is also the birthday of V.I. Lenin, who was the leader of the Russian Revolution. There is actually a link between Earth Day and Lenin: we cannot save the planet without replacing capitalism with socialism. Lenin's contributions and lessons are incredibly important in helping to pave the way. Join us for Socialism on Sunday Class & Webinar to celebrate Lenin's birthday. We have an exciting panel and a chance to ask questions.
