This Saturday, we'll be joining the National Alliance Against Racist and Political Repression's National Day of Action to stop the racist murders and the violence

committed on Black and brown communities by this racist administration.

During this pandemic, we've seen a horrible rate of COVID-19 infections in jails, prisons, and detention centers, and our administration has done nothing about it. And just in the month of May, we've seen the murders of Ahmaud Arbery, Breonna Taylor, and George Floyd.

Different NY organizations are convening for a caravan to heed this call! We'll be starting in Harlem, making stops along the way, and ending in The Bronx.

If you're interested in joining the caravan, please message us on Facebook or email us at [nycommunityactionproject@gmail.com](mailto:nycommunityactionproject@gmail.com).
