Baltimore Joins National Protests to Stop Police Terror, Racism, and Repression

The Peoples Power Assembly is joining with the (NAARPR) National Alliance Against Racism and Political Repression and the Movement for Black Lives for national protests this Saturday

We are continuing to amplify the call for justice for all victims of police terror! At this minute our movement is under attack.

We demand:

Cops and National Guard out of our streets!

Release all those arrested! Lift the curfews!

End the violent attacks, including the use of tear gas, rubber bullets, and concussion grenades!

This protest will be a march AND a car caravan. If you are driving, gather in the parking lot across the street from 2011 N Charles St.

Please wear a mask and remember to social distance (6 feet apart)!
