This weekend we will commemorate Juneteenth and March for [#GeorgeFloyd](#), [#BreonnaTaylor](#), [#RayshardBrooks](#), [#ToyinSalau](#) and all victims of racism and police killings!

The March will end with a People's Assembly 3:30 pm @ City Hall

*Special messages from Rev. Annie Chambers on Juneteenth

And Clarence Thomas former ILWU Local 10 and Million Worker March leader organizer for Juneteenth dock workers shut down.

*Testimony from the people — Share your stories about police abuse and how the money spent on repression and police terror could save your community.

*Music by: Anthony Parker aka Wordsmith

Saturday's March will include people on foot and a car caravan will follow our March. This way everyone will be able to participate on Saturday regardless of ability or health issues. Cars will assemble at the parking lot across from 2011 N. Charles Street.

We will have a printed route at the site. If you are joining the car caravan, you can arrive at 1:30 pm to decorate your car with signs that we are providing.

Bring a blanket, or folding chair to the assembly.

Participants will have a chance to relax and get to know each others during the assembly.
