RALLY TO STOP TRUMP'S FASCIST ATTACKS!

MONDAY, JULY 20, 2020

**5 PM TO 6 PM at MLK Boulevard and Howard
Street, NW corner**

Federal cops from the Department of Homeland Security, dressed in military fatigues without name or agency identifications and driving unmarked vans, are **kidnapping protesters** on the streets of Portland, Oregon, against the wishes of the Mayor and Governor!

Trump's head of Civilian Border Patrol has threatened to deploy these thugs to other cities facing protests against police terror and racism.

These illegal challenges to our basic right to assembly and free speech must be stopped!

We must learn the lessons of another lifetime, when the failure of progressive forces to unite led to Hitler's seizure of power in Germany.

We need an all peoples' unity to stop the advance of Fascism, USA.

We can't wait until November to defeat Trump, who refuses to say whether or not he will accept the results of the upcoming presidential election.

We need to be in the streets today and every day! Stop Trump! No to fascist thugs roaming our streets!

Wear masks and keep social distance

Co-sponsored by CPUSA/Baltimore club, Peoples' Power Assembly, Baltimore Peace Action, Youth against War and Racism, Socialist Unity Party
