Prisoners from Cumberland, Jessup and Baltimore City have continued to contact the Peoples Power Assembly and the Prisoners Solidarity Committee. They are desperately concerned for their health and the health of the fellow inmates. They are not receiving adequate soap, showers or PPA. Their complaints are being muffled and censored. On Thursday, we will car caravan to the Prison Commissioners office in Towson. We will meet at 11 am to decorate cars and get staged. Our route is too long to march so we will caravan. But we will do a social distancing picket at the

offices and announce a time if you want to meet us there.
