On-Line Rally & Press Conference to Support U.S. Citizen, Pascal Shakoure Charpentier, unlawfully detained in ICE Jail 133 DAYS and counting.

Join Shakoure's family, community, and advocates from New Sanctuary Coalition, [MPower Change](#) [African Communities Together](#) [Black Alliance for Just Immigration](#) & [Freedom to Thrive CAIR New York](#)

130 days in ICE Jail and recognition of Pascal Shakoure Charpentier's U.S. citizenship STILL denied. Last week's hearing was contentious. Vital records from several agencies have still not been received by Shakoure's attorney. Without these records, nothing moves forward and he sits in jail day after day.

Help us free Shakoure before ICE manages to deport him to a country he has never even visited.

Now, more than ever, we must work together for justice and freedom.
