Cuomo Cuts Kill

633 3rd Ave, New York, NY 10017-6703, United States

This year, Gov Andrew Cuomo is proposing billions of dollars in cuts from AIDS and other healthcare services while Covid wreaks havoc across the state.

But a coalition of grassroots groups is fighting back as part of the Invest In Our NY campaign! The campaign is pushing Cuomo and the legislature to pass 6 bills in the coming months that would tax the wealthy to close the budget gap and prevent the cuts that Cuomo is proposing.

The 6, long-overdue bills are:

- Progressive Income Tax
- Capital Gains Tax
- Heirs' Tax
- Billionaire's Tax
- Corporate Tax
- Wall St. Tax

Together, they could raise \$50 billion that would restore billions to Medicaid, cancel rent for low-income NY-ers, and much more!

Join us outside Gov Cuomo's office to tell him that his cuts kill!
