All OUT For Mumia Abu-Jamal!

Saturday, April 24, 2021, is political prisoner Mumia Abu-Jamal's 67th birthday. He has spent 39 of those years unjustly behind bars and faces life-threatening health problems.

ICFFMAJ is calling on people in all cities and towns throughout the United States to gather in public spaces to demand that Mumia be released immediately! In the Northeast, people are encouraged to travel to Mumia's hometown of Philadelphia to join protests, if they are able.
