## Lincoln Memorial

We need to go big and bold right now for Palestinian liberation now that a ceasefire has gone into effect. No return to the status quo. It is time for Israeli settler-colonialism, ethnic cleansing, apartheid, military occupation, and blockade to be dismantled now!

Today, we're launching a new national campaign with a petition to Biden to sanction Israel now, and calling for a national march on Washington, DC a w/ USCMO and our partners on Saturday, May 29.

Visit our new website [sanctionisrael.org](https://sanctionisrael.org) for the details.
