Mumia is an innocent man, a victim of racist police brutality and unjustly incarcerated by PA for over 39 years. His case is currently under appeal. It represents the injustice of a system that has wrongly incarcerated millions of our family and revolutionaries. He recently underwent open-heart surgery.

\*Consuelo Africa passed June 16, 2021, from lung issues and stress due to the state's mistreatment of the remains of her daughters Tree Africa and Netta Africa, murdered by this government May 13th 1985. Minister of Confrontation for the MOVE
