Bronx / Brooklyn, NYC: Rally to Amend and Extend the Eviction Moratorium

written by Struggle - La Lucha

NO EVICTIONS!

The Supreme Court of the United States ruled to limit the current NYS Eviction Moratorium which will expire August 31st. This means Housing Courts will start to move eviction cases forward while ERAP fails to provide any rent relief!

Join us to demand the NYS Legislature Leadership extend the Eviction Moratorium to June 2022 and distribute rent relief money now to protect NYers!
