The unemployment crisis is far from over. There are still thousands of Marylanders who have not seen a dime of their benefits, either state unemployment or federal pandemic benefits.

Let's not allow the Labor Department or State government to forget us. This fight is not over until the DOL pays every worker their benefits.

Protest & Picket Line, DOL PAY US NOW!

Saturday, August 28th, 2 pm to 3:30 pm at the  
Maryland Department of Labor, Division of Unemployment Insurance

1100 N Eutaw St, Baltimore, MD 21201.

You will also be able to file grievances and pick up information on organizing for a “Special Legislative Session.”
