Join us on Saturday, February 12th, outside the PUMA Flagship store in Manhattan, as we demand that PUMA ceases its sponsorship of the Israel Football Association.

This event is part of the international day of action to #BoycottPUMA. In New York City, we stand in solidarity with Palestinian football players and global sports justice activists who have called on the company, which purports to follow a human rights mandate, to end its support for Israeli colonialism and apartheid.
