A Ukrainian missile attack on downtown Donetsk, capital of the Donetsk People's

Republic, killed more than 20 civilians on March 14.

The Emergency Campaign to Stop the War Lies is a grassroots effort to stop the lies and tell the truth about the U.S./NATO war on Russia and Donbass. It will kick off on March 20, the anniversary of the Iraq War, and culminate on the weekend of April 2 to 4, the anniversary of Dr. Martin Luther King Jr.'s assassination.

March 20 to 27 - Local outreach to communities, students and workers, including protests and picket lines, distributions of flyers and posters, street corner speak-outs, tabling in busy areas and banner drops.

We have a [general fact sheet](#) to get the truth out. You can add your local information.

March 27 - "Expose the Lies" National Webinar featuring Alexey Albu from Borotba in Lugansk, Katya A. from Aurora Women's group in Donetsk, and Kristina Melnikova, a journalist who has covered Ukraine's war on Donbass for several years. Hear directly from the independent Donbass republics under fire from Ukraine and NATO.

Weekend of Sat. April 2 to Mon. April 4 - National protests on the anniversary of the assassination of Dr. King, who stood against war and racism. Join us in demanding:

- No U.S./NATO war on Russia and Donbass!
- Jobs, education, housing, and healthcare, not war!
- Disband NATO, AFRICOM & AUKUS!
- Close Guantanamo and all U.S. military bases - bring the troops home!
- Feed the people, not the Pentagon! No to U.S. sanctions!
