Salute the life of Comandante Che**

Ernesto "Che" Guevara — the great internationalist and revolutionary leader — died 55 years ago on Oct. 9, 1967, at the hands of Bolivian soldiers who were trained, equipped, and put in motion by U.S. Green Beret and CIA operatives. Che's last

words proved their defeat and his victory: “Shoot, cowards. You are only going to kill a man.” Che still lives.
