Roll Back Prices Protests - No to War & Inflation

Albertsons

3901 Crenshaw Blvd Los Angeles, CA 90008

Event by Harriet Tubman Center for Social Justice - L.A.

Are your utility rates skyrocketing along with the price of groceries, rent, and more?

Join these actions at Albertsons to build for a demonstration at the nearby SoCal Gas Company payment center.

We will be demanding that Biden sign an executive order to roll back prices now!

Why? Because inflation has hit record levels this year.

Inflation's Primary Causes? Spending Over \$100 Billion Dollars on escalating war in Ukraine to expand NATO and price gouging! Both of these Biden could stop immediately.

We need unity and action. Union members, students, unemployed workers, gig workers, everyone who is living paycheck to paycheck must come together to stop this assault on our livelihoods.
