FIDELIS CARENS CURA

SUNDAY, APRIL 9, 2023 AT 12 PM - 2 PM
Fidelis Carens Cura - Faithful Lack of Care

95-25 Queens Blvd, Rego Park, NY

We are calling for “Father” Patrick J Frawley (Senior VP:Social Responsibility, Centene Corp / Fidelis) to renounce legalized manslaughter that he has profited from and demand that he returns to his God’s teachings of Healing Us on this Easter Sunday.

We demand that as a sign of his repentance that he join us in our fight for single payer universal healthcare as did #M4All champion Wendell Potter. One can Not call himself a “man of God” and profit off denying the poorest among us Medicaid, the healthcare we need to live!
