“Traitors” is the actual voice of Nizar Banat talking about the Palestinian Authority. Hear his brother and their lawyers speak to their demands for accountability for his murder.

Sunday 6/18, 4 pm, Bay Ridge Community Development Center, 9818 Fort Hamilton Pkwy, Brooklyn, 11209

Join us in Brooklyn as part of the U.S. Speaking Tour for Justice for Palestinian activist Nizar Banat and all human rights defenders oppressed by the israeli occupation and the Palestinian Authority. Two years after Nizar Banat's brutal murder, Nizar's family demands justice.

Nizar Banat was an outspoken critic of the Palestinian Authority. He was killed after being beaten during a PA raid, as officers arrested him. Banat's family say the focus has been on low-ranking officers and not the Palestinian officials who gave the orders.

The event will feature Ghassan Banat, Nizar's brother, and Mohanad Karajah and Thafer Saadieh of Lawyers for Justice, who are documenting violations carried out to submit to the International Criminal Court.
