# Stop the genocide in Gaza! Palestinian lives matter!

By Stephen Millies

An immense war crime is being carried out by the Israeli apartheid regime that occupies Palestine. Over a million people in northern Gaza have been ordered to evacuate within 24 hours or face being exterminated by a military invasion.

This isn't a Hollywood movie with Israeli Prime Minister Benjamin Netanyahu telling the inhabitants to "get out of Dodge." Netanyahu wants to carry out another chapter of the 1948 Nakba — meaning catastrophe in Arabic — during which 15,000 Palestinians were murdered, and 531 Palestinian villages were destroyed by Zionists.

In the village of Deir Yassin, the Irgun and Stern Gang Zionist militias killed at least 107 Palestinians on April 9, 1948. Children and the elderly were murdered.

Some victims were burned to death, others were stood up against a wall and killed by machine guns. Many bodies were thrown down a well.

This was no different than Nazi atrocities like those that wiped out the village of Lidice in the Czech lands or Oradour-sur-Glane in France.

Zionist leaders want to do the same to Gaza, which is the biggest ghetto on earth with 2.2 million inhabitants. Half of them are children under 18.

Half of the Gazans in this immensely crowded prison have now been ordered to flee to the southern

portion of the ghetto within 24 hours.

Already a third of a million people have been made homeless, and over 2,000 people have been killed by Zionist bombs. Entire families have been buried in rubble. The Jabalia refugee camp, home to 116,000 people, was destroyed.

These war crimes are in revenge for the Al-Aqsa Flood uprising that showed that the apartheid regime is not invincible. The Zionist state is carrying out collective punishment, which is banned by international law.

## Hospitals turned into morgues

Israeli Defense Minister Yoav Gallant called Palestinians "human animals." That's the language of genocide.

Gallant announced on Oct. 9 a "complete siege" of Gaza, which has a population of over 2 million. He de-
