May 7 — Thousands of people marched tonight on New York City streets demanding an end to the latest U.S.-Israeli assault on Rafah in Gaza, Palestine. While Zionist soldiers kill Palestinian children, it’s Genocide Joe Biden who is supplying the bombs and shells.

People gathered at 6 p.m. in lower Manhattan’s Union Square for a short rally. Ysabella Titi of the Palestinian Youth Movement, Areej Khan of PAL Al Awda: the

Palestine Right to Return Coalition, and Layan Fuleihan of The People's Forum demanded an end to the U.S.-sponsored genocide. So did TPF Executive Director Manolo De Los Santos and Claudia De la Cruz, the presidential candidate of the Party for Socialism and Liberation.

Thousands marched out of Union Square carrying signs and banners. They headed west on 14th Street. People chanted "From the river to the sea, Palestine will be free!" while playing drums.

Cops forced marchers onto the sidewalk and singled out Manolo De Los Santos for arrest. Other marchers were arrested as well.

The demonstration went north on Avenue of the Americas (Sixth Avenue), then turned east on 42nd Street. Onlookers were friendly and interested.

A rally was held in front of the great reference library on Fifth Avenue. Hundreds then went to One Police Plaza for jail support.

Others went to the Fashion Institute of Technology, where cops arrested 50 people while breaking up the student encampment there. The people will stop the genocide in Gaza!
